

IMPORTANT INFORMATION

1. This is a DRAFT schedule. There could be changes, although we will attempt to keep them to a minimum.
2. Students will be given the opportunity to preregister for clinics between Monday, October 7, 8:30 a.m. and Thursday, October 10, 5:00 p.m. All clinics have additional hour requirements beyond the class times, and some have specific time periods in which the work must be done. Make sure to check the requirements of each clinic before selecting a clinic to make sure that the requirements do not conflict with a class you plan to enroll in. More information will be circulated closer to the preregistration for clinics.
3. After preregistration for clinics occurs, 3Ls will be able to preregister for Law Firm Program (LFP) courses. More information will be circulated closer to the preregistration for LFPs.
4. Priority for clinics and LFPs is given to those graduating in May and July 2025. There will be sufficient clinical and LFP offerings in the Winter 2025 Term to ensure that all graduating students satisfy the graduation requirements.
5. After preregistration for LFPs occurs, 3Ls will be able to preregister for the Bar Exam Strategies (BES) course. More information will be circulated closer to the preregistration for BES.

6. There will be the following academic advising sessions:

Clinical Advising Session: Tuesday, October 1, 1:00 – 2:00 p.m.

JD Advising Session: Wednesday, October 2, 1:00 – 2:00 p.m.

Dual JD Advising Session: Thursday, October 3, 1:00 – 2:00 p.m.

All sessions will be on Zoom and recorded. After attending these sessions or watching the recordings, if students still want individual advising, they may make appointments with Deans Henning, Humphrey, or Khan.

7. Registration for other courses will be held in November. Dean Khan will be emailing the specific dates for registration, which depend on the credit hours earned by students.
8. Please read the General Guidelines for Course Selection for the JD and Dual JD Programs that accompany this schedule as well as the list of courses that describes the types of courses.
9. Please pay attention to prerequisites when registering. For example, Trial Practice requires students to have either taken Evidence or be taking it in the same term as the Trial Practice Course. The Criminal Trial Clinic requires Evidence as a prerequisite.
