

## DIRECTED RESEARCH

- Complete and submit form to [lawregistrar@udmercy.edu](mailto:lawregistrar@udmercy.edu)
- Processing requires 2 business days
- Form deadline: must be submitted to the Law Registrar by the end of the second week of class

Directed Research may be supervised by full-time faculty members. Faculty will direct research in subjects in which they teach or have a particular expertise.

A directed research project **does not** fulfill the upper-level writing requirement. A student must have a cumulative grade point average of 2.50 or better to enroll in Directed Research.

Adjunct faculty with particular expertise who teach regularly at the law school may supervise a one-credit directed research project, if the student obtains the consent of the Associate Dean of Academic Affairs. With respect to two- or three-credit directed research projects, adjunct faculty may supervise the projects in coordination with a resident faculty member. In this situation, the full-time faculty and adjunct faculty would grade the project jointly.
